Housing Guarantee Payment Extension Agreement for Returning Students only

This agreement is a Legally Binding Document.

I am requesting my \$200 Housing Guarantee Payment due date be extended as it will be paid with funds from my financial aid award for the upcoming semester or will be paid by myself or the person responsible for my financial account along with my first billing statement after the semester has begun.

I agree that if I decide not to live on campus, I will cancel my housing contract with Housing & Residential Life. I will cancel on or before December 21, 2022 or 7 days after I sign up for a space. If I do not cancel by the appropriate date, I am bound to the duration of my contract. If I submit a contract release request and am successful in being released from my contract, I will incur and be responsible for a \$200 cancellation fee and an additional fee not less than the assigned room rate for each day from my scheduled move-in date until Housing & Residential Life is able to fill my assigned space with a student from the waiting list.

I understand these fees will be billed to my student account and I will be responsible for the costs of collection if these or other Housing & Residential Life fees are not paid.
